DO YOU KNOW HOW TO BE SAFE & RESPONSIBLE ONLINE?

DIGITAL CITIZENSHIP JENGA

Answer the question that corresponds to the color of block you remove.

Name one thing that is considered private information that you should NEVER share online.

Name one thing you should tell your parents about if it happens online.

Give an example of cyberbullying behavior.

Name one thing you should do if you or someone else is being cyberbullied.

Name one thing you should think about before you post something online.

Name one thing you & your friends can do to unplug and take a break from media.
