I am going to storytime at the library! Storytime will be on Thursdays at 6:30 - 7:00 pm. I will have fun singing songs & listening to stories with my grownup and other kids.

Storytime is upstairs in the Children's Program Room. Our storytime teacher is Ashley. She is a librarian who works at the library. She loves to sing and be silly!

I can sit in a chair for storytime, or I can sit on a flower mat or leaf mat on the floor. Ashley sits in a big red chair at the front of the room.

Ashley will have our storytime schedule up on the board. My grownup and I can follow along on our own schedule, too!

Every week we will follow the same routine. We always read 2 books and end with bubble time!

After storytime, I can say “hi” to the fish and Chumley the gerbil. I can visit the desk and check out some books to take home.

Visiting the library for storytime is so fun!
