## TEACHING BOOKS

Teaching Books for Libraries is an award-winning database for educators preK through grade 12. Discover author interviews, book trailers, discussion questions, activity kits, book resumes, and more. The American Association of School Librarians just named Teaching Books a “top digital tool for 2024.”

## TED TALKS

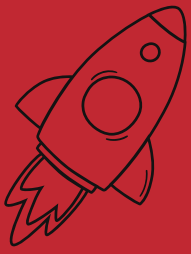

The Reading Public Library has a new pet! Ted the musk turtle comes to the Children's Room from the Cape Ann Vernal Pond Team. He is available for Zoom classroom visits and storytimes. Contact your children's librarians for more information.

## ACCESSIBLE LANGUAGE LEARNING

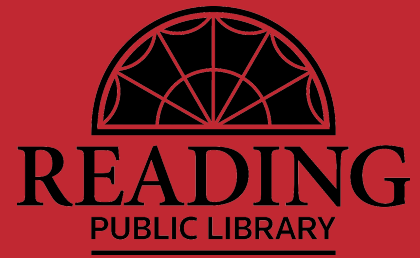

LOTE4Kids is our online database of digital books in Languages Other Than English. The database includes over 4,000 picture books in 65+ languages, with new books and languages released each month.
